

SKINCARE CONCERNS

Dry Skin
Dull Skin
Irritated Skin
Blemished Skin

WHAT IT IS

This beauty unicorn delivers luminous and younger-looking skin, no matter the skin condition! Rosehip Hop Hydrojelly® Mask moisturizes skin naturally without adding excess oil and improves skin's moisture barrier function (NMF). It will not irritate skin and actually helps calm sensitive skin or skin suffering from irritation and redness.

KEY INGREDIENTS

*ORGANIC ROSEHIP
(USDA Certified)

Rosehip extract is a superior moisturizer loaded with omega-3 and omega-6 (both known as linoleic acid) and rich in vitamins A, C and E. Rosehip locks in moisture and is easily absorbed by the skin for intense hydration. With high levels of essential fatty acids, rosehip effectively softens skin and improves the skin barrier. It is also high in concentrations of vitamins A, B1, B2, B3, and K for exceptional regenerative and healing properties. Rosehip is great for all skin types. Although high concentrations of omega-6 fatty acids may not be suitable for oily/breakout-prone skin, rosehip is especially effective for those suffering from acne and blemished skin because it soothes and does not block pores. Rosehip contains an abundance of vitamin E and anthocyanin to calm and soothe irritation. These two ingredients are great for dealing with rosacea, eczema, and other inflammatory skin issues.

*ORGANIC ELECTROLYTES
(USDA Certified)

Organic Electrolytes from coconut water help restore skin moisture and help prevent dehydration by restoring and drawing water into skin cells. These electrolytes provide a dramatic improvement of many adverse skin conditions (dryness, itchy patches, dark circles, fine lines). Also, electrolytes naturally moisturize without adding excess oil and help balance the skin's natural moisture and pH levels. They are a natural skin solution for the ultimate skin moisture. Electrolytes also remove toxins and excess oils to help reduce inflammation and breakouts. A natural source of cytokines in coconut water, proteins that promote anti-aging by supporting the skin's natural repair cycle in the wake of damage from the sun or environmental factors such as pollution.

INGREDIENTS

Potassium Alginate, Algin, *Oryza Sativa (Rice) Powder, Sodium Hyaluronate, *Rosa Canina (Rosehip) Fruit Extract, *Cocos Nucifera (Coconut) Fruit Powder, Glucose, *Salix Alba (Willow) Bark Extract, Calcium Sulfate, Diatomaceous Earth, Sodium Chloride, Magnesium Sulfate, Potassium Chloride. ***Certified Organic Ingredients.**

HOW TO USE

Mix 1 1/2 scoops of powder with 1 scoop of water. (Adjust water amount to get desired consistency.) Mix quickly and spread evenly over face and neck. After 15-20 minutes peel off to remove.
