

## SKIN TYPE

All Skin Types, Anti-Aging, Oily Skin,  
Stressed, Dark Circles

## BENEFITS

- \*Rich in micronutrients, flavonoids and phytonutrients to increase energy, restore PH balance, and help synthesize proteins.
- \*Manages dry skin by balancing oil and water distribution.
- \*Reduces the appearance of dark circles and sagging.
- \*Supports firming and tightening, and protects the skin from environmental stressors.
- \*Phytonutrients and flavonoids help prevent visible signs of aging.

## KEY INGREDIENTS

### \*Organic Kale Powder

Kale is an antioxidant powerhouse loaded with high levels of phytonutrients and flavonoids to help prevent visible signs of aging. Kale is super high in Vitamin K, and the skin requires a healthy dose. The lack of Vitamin K leads to dehydrated and flaky skin, losing the ability to hold on to moisture. Kale also helps lighten dark circles under the eyes because vitamin K depletion leads to dark pigmentation and tired-looking skin. The iron in kale strengthens the skin while the other nutrients and antioxidants fight dryness.

### \*Organic Spinach Leaf Powder

Spinach contains Neoxanthin and violaxanthin, the two anti-inflammatory epoxyxanthophylls that regulate and prevent inflammation. Rich in vitamin K and folate, spinach gives the skin a clear complexion by minimizing acne, bruising on the skin and dark circles. The bounty of vitamin and minerals in this vegetable give you quick relief from dry itchy skin, thus providing you with a radiant complexion. Spinach is high in vitamin A, which is necessary for sebum production to keep hair moisturized. Vitamin A is also necessary for the growth of all bodily tissues.

### \*Organic Alfalfa Grass Powder

Alfalfa contains the entire spectrum of B vitamins. The chlorophyll content and vitamin A content in alfalfa helps treat dry skin, making sure the skin is properly moisturized. The chlorophyll in alfalfa acts as a natural skin cleanser. It cleanses the impurities from the skin and fights off infections. The regular consumption of alfalfa also does wonders with skin diseases. This sprout is super effective in treating eczema as well as psoriasis.

### \*Organic Spirulina

Spirulina is an excellent source of tyrosine, vitamin E or tocopherol, and selenium, all of which are known for their anti-aging effects. Tyrosine slows down the aging of skin cells. The antioxidants present in spirulina eliminate free radicals which are responsible for skin aging. The detoxifying nature of spirulina helps reduce dark circles by removing darkness around the eyes.

### \*Organic Moringa Leaf Powder

Moringa leaf is rich in protein and contains all nine essential amino acids, as well as minerals including calcium, magnesium, potassium, as well as vitamins A and C. Moringa leaf also contains iron, which helps to cure minor injuries like bruises, cuts and burns. Also high in antioxidants, Moringa Leaf helps the skin by scavenging and quenching free radicals for an overall clear and firm complexion.

## KEY INGREDIENTS

### \*Organic Barley Grass Powder

Barley grass contains beta carotene, pantothenic acid, and folic acid. Barley grass is a potent supplier of healthy and critical enzyme superoxide dismutase which helps neutralize the effects of oxygen free radicals produced during energy metabolism. The protective action of these radical scavengers prevents the development of a wide array of diseases caused by oxidative stress. Barley grass also helps neutralize damage caused by environmental factors like smog and harmful UV rays that prematurely age the skin and leave it dull and lifeless.

### \*Organic Psyllium Husk

Psyllium Husk is rich in natural fibers that help get rid of harmful fungi and bacteria in the body that may result in various skin disorders such as acne or rashes.

### \*Organic Acerola

Acerola is rich in antioxidants and is known for its high concentration of vitamin C. This allows Acerola antioxidant properties to protect against free radical damage that can accelerate skin aging. Acerola also evens skin tone, brighten pigmentation, boosts collagen and elastin, and increases the skin's ability to retain moisture.

### \*Organic Green Olive Extract

Green Olive contains linoleic acid, a fatty acid that penetrates deeply to help the skin stay moisturized without clogging pores. This makes it a great moisturizer for all types of skin, even sensitive and combination skin that may be prone to clogged pores. Oleuropein extract of olive leaf reduces skin redness and dehydration better than vitamin E.

### \*Organic Baobab Extract

Baobab Extract has six times more vitamin C than an orange, 50% more calcium than spinach and is a plentiful source of antioxidants. Its antioxidant activity is four times that of a kiwi or apple pulp. The leaves are an excellent source of vitamin A, calcium, iron, potassium, magnesium, manganese, molybdenum and phosphorus, and the seeds are packed with protein. Baobab Extract combats skin aging, helps improve skin firmness and strength by boosting the elastic quality of the skin, diminishes the look of facial lines, evens out skin tone, and refreshes and hydrates the skin.

## INGREDIENTS

Potassium Alginate, Algin, \*Oryza Sativa (Rice) Powder, Sodium Hyaluronate, Glucose, \*Avena Sativa (Oat) Kernel Flour, \*Salix Alba (Willow) Bark Extract, Actinidia Chinensis (Kiwi) Seed, \*Brassica Oleracea Acephala Leaf Extract, \*Spinacia Oleracea (Spinach) Leaf Extract, \*Medicago Sativa (Alfalfa) Extract, \*Spirulina Platensis Powder, \*Moringa Oleifera Leaf Powder, \*Hordeum Distichon (Barley) Extract, \*Plantago Asiatica Extract, \*Malpighia Glabra (Acerola) Fruit Extract, \*Adansonia Digitata (Baobab) Leaf Extract, \*Olea Europaea (Olive) Fruit Extract, Calcium Sulfate, Diatomaceous Earth, Sodium Chloride, Magnesium Sulfate, Potassium Chloride, Iron Oxides, Chromium Oxide Greens, Fragrance. **\*Certified Organic Ingredients.**

## HOW TO USE

Mix 1 1/2 scoops of powder with 1 scoop of water. (Adjust water amount to get desired consistency.) Mix quickly and spread evenly over face and neck. After 15-20 minutes peel off to remove.

## APPLICATIONS

10 APPLICATIONS

## FORMULATED WITHOUT

Parabens (Health Issue), Sulfates (Health Issue), Phthalates (Health Issue), Talc (Health Issue), Corn Starch (Cost Reduction)

**esthemax® hydrojelly® masks are formulated to comply with EU Regulations.**
