

SKIN TYPE

All Skin Types, Hyper-pigmentation, Discolouration, Aging Spots, Sun Spots, Sun Damaged Skin, Melasma, Freckles.

WHAT IT IS

- *Reduce pigmentations and lightens skin tone overall.
- *Limits over-production of melanin.
- *Inhibits the intensification of tyrosinase.
- *Illuminates the skin to reveal a subtle glow.
- *Reduces pigmentation and diminishes the appearance of age spots, blemishes and discolouration.
- *Promote a translucent, lustrous and even-toned complexion.

KEY INGREDIENTS

*Organic Lemon Juice Powder

Lemon juice is well-known for its ability to brighten skin complexion. It is a natural and effective alternative to hydroquinone for inhibiting tyrosinase production. Vitamin C from lemon juice is also good for smoothing the appearance of fine lines to help minimize the appearance of wrinkles, Thus Vitamin C is great for improving skin tone and condition while enhancing overall texture so you can shine.

Glutathione

Glutathione accelerates the dissipation of melanin from the skin by inhibiting the dark coloration caused by tyrosinase. Glutathione binds to Tyrosinase and helps prevent the enzymatic pathways from producing melanin. It also helps to prevent the activation of Tyrosinase by reducing free radicals in the body that can increase melanin production. With its ability to eliminate the free radicals that damage the skin at the cellular level to cause aging and discoloration, Glutathione brightens the skin back to its purest, fairest tone.

INGREDIENTS

Potassium Alginate, Algin, *Oryza Sativa (Rice) Powder, Sodium Hyaluronate, *Avena Sativa (Oat) Kernel Flour, Glucose, *Salix Alba (Willow) Bark Extract, *Citrus Limon (Lemon) Fruit Extract, Glutathione, Calcium Sulfate, Diatomaceous Earth, Sodium Chloride, Magnesium Sulfate, Potassium Chloride, Iron Oxides, Fragrance. ***Certified Organic Ingredients.**

HOW TO USE

Mix 1 1/2 scoops of powder with 1 scoop of water. (Adjust water amount to get desired consistency.) Mix quickly and spread evenly over face and neck. After 15-20 minutes peel off to remove.

APPLICATIONS

10 APPLICATIONS

FORMULATED WITHOUT

Parabens (Health Issue), Sulfates (Health Issue), Phthalates (Health Issue), Talc (Health Issue), Corn Starch (Cost Reduction)
