

SKIN TYPE

All Skin Types, Dull & Dry Skin, Sensitive Skin, Sun Damaged Skin, Rosacea.

WHAT IT IS

- *Keeps skin moisturized and prevents cracking.
- *Balances sensitive, dull, and problematic skin.
- *Helps dry skin by properly distributing oils and water.
- *Repairs the skin and returns it to a healthy condition.
- *Relieves very dry and itchy skin, and also skin cracking
- *Stimulates skin cell renewal by reinvigorating old cells and generating new healthy cells.

KEY INGREDIENTS

Biotin (d-Biotin)

Biotin is one of the B-vitamins, also known as vitamin B7. Biotin plays a key role in important metabolic pathways, such as the production of glucose and fatty acids. If skin is not nourished from the inside out, toxicities will form throughout the skin structure and become apparent on the skin's surface. Biotin deficiency causes a variety of skin problems, which include reddening, scaly skin rash, dry skin and generalized body rash, also known as cradle cap. Due to its healing and moisturizing characteristics Biotin helps manage dry skin by aiding proper distribution of natural oils. Biotin is vital for healthy, glowing skin. Biotin can also revitalize skin tone damage due to pollution and protect skin against conditions like fungal infections and acne.

INGREDIENTS

Potassium Alginate, Algin, *Oryza Sativa (Rice) Powder, Sodium Hyaluronate, *Avena Sativa (Oat) Kernel Flour, Glucose, *Salix Alba (Willow) Bark Extract, Biotin, Calcium Sulfate, Diatomaceous Earth, Sodium Chloride, Magnesium Sulfate, Potassium Chloride, Iron Oxides, Fragrance. ***Certified Organic Ingredients.**

HOW TO USE

Mix 1 1/2 scoops of powder with 1 scoop of water. (Adjust water amount to get desired consistency.) Mix quickly and spread evenly over face and neck. After 15-20 minutes peel off to remove.
