

SKINCARE CONCERNS

Dullness and Uneven Texture
Dryness and Uneven Skin Tone
Fine Lines and Wrinkles
Appearance of Aging

WHAT IT IS

Phyto-Nutrients Blast is formulated with broccoli and plant-based collagen for a natural radiance, luminosity and vibrant glow-skin. It helps calm and soothe skin, acts as a balancing adaptogen, and protects hydrated, healthy skin. A targeted solution for dull skin, this supercharged, face mask brightens with broccoli extract and provides instant hydration. These superfoods promote a healthy, more youthful-looking glow and help improve general well-being and immunity. This diminishes the appearance of aging, supports the body's natural antioxidant self-defense mechanisms, helps detoxify and nourish the body from the inside out, and helps defend against oxidative stress.*

KEY INGREDIENTS

HONEYSUCKLE

Honeysuckle plays a role of calming and a soothing eczema, rosacea, and acne. It evens skin tone for a brighter, healthier complexion. Honeysuckle is a natural detoxifier that cleanses the skins and fights against bacterial infections that causes acne and inflammation for smoother skin. It helps prevent cell damage and reduces sun-accelerated skin aging.

*ORGANIC BROCCOLI

Broccoli high in potent antioxidants such as vitamin C and beta carotene. Vitamin C and beta carotene are two strong antioxidants that help protect against damaging free radicals capable of accelerating the aging process. Beta carotene also converts to Vitamin A (retinol). Retinol helps to reprogram cells, enhance collagen production and aid in the thickening of the epidermis once absorbed into the skin. Retinol also prevents the formation of pyrimidine dimers caused by UV exposure for encouraging cellular renewal, thus revealing a more youthful appearance. Vitamin C has also helps to boost the synthesis of collagen within the skin to reduce the appearance of fine lines and wrinkles revealing a smoother and healthier looking complexion.

*ORGANIC GREEN TEA

Green tea acts as a powerful antioxidant to protect hair and skin from environmental free radical damage, while also protecting hair and skin from UV radiation. Polyphenols in Green tea provide an antibacterial effect to treat acne and unclog pores. The antioxidants in Polyphenol damage bacterial membranes and fight against infection, meaning that it's a useful tool for treating bacterial growth that causes acne. It helps kill systemic bacterial inflammation for smoother, toned skin. Polyphenols eliminate cellular oxidation that can cause damage to both the skin's epidermal and dermal cells and contributes to their degeneration.

INGREDIENTS

Potassium Alginate, Algin, Lonicera Caprifolium (Honeysuckle) Extract, *Oryza Sativa (Rice) Powder, Sodium Hyaluronate, *Camellia Sinensis (Green Tea) Leaf, Glucose, *Salix Alba (Willow) Bark Extract, *Brassica Oleracea Italica (Broccoli) Extract, Calcium Sulfate, Sodium Chloride, Diatomaceous Earth, Magnesium Sulfate, Potassium Chloride, Fragrance. ***Certified Organic Ingredients.**

HOW TO USE

Mix 1 1/2 scoops of powder with 1 scoop of water. (Adjust water amount to get desired consistency.) Mix quickly and spread evenly over face and neck. After 15-20 minutes peel off to remove.

APPLICATIONS

10 APPLICATIONS

FORMULATED WITHOUT

Parabens (Health Issue), Sulfates (Health Issue), Phthalates (Health Issue), Talc (Health Issue), Corn Starch (Cost Reduction)

esthemax® hydrojelly® masks are formulated to comply with EU Regulations.
