

SKINCARE CONCERNS

Loss of Firmness and Elasticity
Puffiness and Sagging
Fine Lines and Wrinkles

WHAT IT IS

Collagen Infusion provides concentrated lifting POLY-L-LACTIC ACID (PLLA), which works with skin's natural renewal process to increase visible density and elasticity. This helps fill in natural shape for a more sculpted look with firmer and plumper skin. The skin's contours are given a defined and radiant look with diminished visible signs of aging. This illuminating treatment infuses the skin with sculpting power for an uplifted, refreshed look that tightens and firms the appearance of the face and neck. The result is skin that appears younger, radiant, and wide awake.

KEY INGREDIENTS

POLY-L-LACTIC ACID

PLLA (Poly-L-Lactic acid) "collagen restoration powder," helps boost the regeneration of the skin's own collagen to provide a gradual increase of skin thickness and smoother skin for a more youthful appearance. It gradually replaces lost collagen to reduce the appearance of laugh lines, smile lines, and neck lines caused by facial aging. It helps replenish the derma foundation and enhance facial volume that is lost to aging. It also works great for large areas that need overall contour like hollow chin and sunken cheek areas that need a naturally smooth facial line for a youthful appearance. Skin collagen slowly builds up around absorbed PLLA and PLLA helps replenish collagen and provide unparalleled overall skin firming and plumping.

- Fine & Deep Wrinkles (Forehead, frown, vertical lip lines, Crow's feet and nasolabial folds)
- Contour Face Lines (Marionette lines, tear troughs, cheek definition)
- Hollow Chin & Sunken Cheeks
- Overall Face Volume

INGREDIENTS

Potassium Alginate, Algin, *Oryza Sativa (Rice) Powder, Sodium Hyaluronate, Glucose, *Salix Alba (Willow) Bark Extract, Calcium Sulfate, Diatomaceous Earth, Sodium Chloride, Magnesium Sulfate, Potassium Chloride, Poly-L-lactide, Cellulose Gum, Mannitol, Carmine. ***Certified Organic Ingredients.**

HOW TO USE

Mix 1 1/2 scoops of powder with 1 scoop of water. (Adjust water amount to get desired consistency.) Mix quickly and spread evenly over face and neck. After 15-20 minutes peel off to remove.
