

# CONTOURING FACE MASK 600

## SKIN CONCERNS

Intensive fine Lines, expression wrinkles and large Pores.  
Targets visible signs of aging, large pores, creases, and crinkles.  
Keeps skin smooth and wrinkle free and improves moisture levels in the skin.

## KEY INGREDIENTS

### ARGIRELINE

Argireline is known as acetyl hexapeptide-3 or -8 to target fine lines and subtle expression wrinkles (caused by repeated muscle movement). Argireline affects the nerve-to-muscle communication so that the muscle contractions do not deepen expression wrinkles, it also stimulates collagen production, further helping to increase skin firmness. Along with the skin-smoothing effects, argireline improves moisture levels in the skin. And hydrated skin is always going to look more youthful than dry skin. This powder mask is best for full face application targeting where you have large pores, creases, and crinkles around the eyes, mouth and forehead.

## INGREDIENTS

Albumen, Zea Mays (Corn) Starch, Acetyl Hexapeptide-8, Allantoin, Aloe Barbadensis Leaf Juice, Panthenol, Silica, Dipalmitoyl Hydroxyproline, Butylene Glycol, 1,2-Hexanediol, Caprylyl Glycol, Illicium Verum (Anise) Fruit Extract.

## DIRECTIONS

Mix 5 g of powder and 5mL of water into a creamy consistency. Brush upward and outward over face and neck area, using upward strokes, up and out to hairline. Allow 10 minutes to dry. Feel the sensation of facial muscles contracting and increasing blood flow. Tension down the mask with a wet brush and wipe off any residue with a wet towel or sponge. After this, apply a moisturizer appropriate for the skin type. Avoid heat or steam to maintain long lasting tightness. Due to muscle contractions, some lines may appear. but will disappear after a few hours.
