

SULFUR FACE MASK 604

FOR SKIN TYPES

Acne and blemishes
Oily Skin
Clogged pores and blackheads
Dullness and Uneven Texture

SKIN BENEFITS

Dries and clears up existing acne while preventing future breakouts.
Treats inflammatory acne, hormonal acne, and acne rosacea.
Absorbs excess oil and purifies impurities and clogged pores.
Clears impurities and soothes the appearance of surface redness

KEY INGREDIENTS

SULFUR

Sulfur, a naturally occurring mineral found in hot springs and volcanic ash is great at busting bacteria, which makes it ideal for acne-prone skin. It does double duty when it comes to pores. Sulfur kills bacteria and draws out excess oil (in the sebaceous glands) that may contribute to acne breakouts. Sulfur also dries out dead skin cells to help unclog your pores, which helps purify pores and skin for a smooth and clear complexion.

INGREDIENTS

Water, Kaolin, Sulfur(0.1%), Melaleuca Alternifolia (Tea Tree) Extract, Madecassoside, Salix Alba (Willow) Bark Extract, Titanium Dioxide, Glycerin, Cetearyl Alcohol, Mineral Oil, Glyceryl Stearate, Caprylic/Capric Triglyceride, Polysorbate 60, Palmitic Acid, Butylene Glycol, Stearic Acid, Butyrospermum Parkii (Shea) Butter, Dimethicone, Erythritol, Portulaca Oleracea Extract, Camellia Sinensis Leaf Extract, Brassica Oleracea Italica (Broccoli) Extract, Ananas Sativus (Pineapple) Fruit Extract, Sodium Magnesium Silicate, Xanthan Gum, Bentonite, Allantoin, Dipotassium Glycyrrhizate, 1,2-Hexanediol, Talc, Caprylyl Glycol, Illicium Verum (Anise) Fruit Extract.

DIRECTIONS

Apply mask generously to the skin after cleansing. Leave the mask on for about 10 minutes to allow it to take effect before wiping it off with a sponge or a towel soaked in lukewarm water.
